[The Ambassador programme](#) [1]

Your class can add to the field trip experience by sending an Ambassador with the LEARNZ Field Trip Teacher. Sending an Ambassador costs \$35 (incl GST) per ambassador per field trip.

- Your class Ambassador is a **class mascot** (a **soft toy** - see specifications below) that you post to the LEARNZ Field Trip Teacher before the field trip
- Ambassadors 'experience' the field trip first hand and relay their 'thoughts' and 'learning experiences' on the website. Everything the LEARNZ Field Trip Teacher does, the Ambassadors do too!

Visit your Ambassador's web page

The LEARNZ Field Trip Teacher will help your Ambassador write updates about their field trip experiences.

- The Ambassadors' pages are set up before the field trip
- They are updated with text and images each day during the field trip
