[After Field Trip](#) [1]

There's a lot you and your class can do to round out your LEARNZ virtual field trip experience.

- Reflect by filling out the [Evaluation Form 2018](#) [2] or [Evaluation Form 2019](#) [3] as appropriate and go in the Prize Draw
- Share learning for this field trip on the LEARNZ Group on the VLN
- Email the LEARNZ Teacher shelley.hersey@core-ed.org [4]
 - a web conference summary done by your class
 - photos of students' work (no last names visible please)
 - a link to your class blog showing learning from the field trip
- Skim the field trip Newsletters - accessible from your MyLEARNZ
 - Newsletter 4
 - Newsletter 5
- Other Suggestions
 - go on a class field trip or other visit
 - invite a visiting speaker to your class or school assembly
 - do a class presentation eg at assembly or parent evening
 - look at ways you can reduce your impact on our oceans.

Thanks for taking part and contributing.

Have a look on the [Field Trip Chooser](#) [5] for your next LEARNZ virtual field trip.

Regards
