[group on edSpace](#) [3], which is an online support area for all New Zealand educators who are interested in LEARNZ.

The LEARNZ group on edSpace is a closed group, so you must be a member to see what is going on there and to post to it.

After you join, you can:

- get support for a **particular** field trip
- find out the **latest** LEARNZ happenings
- **share** examples of class learning
- view **questions** from other teachers about LEARNZ
- view **answers**
- **post** questions and answers.

The following are some ideas for your posts:

- **Post a photo** of your class learning for this field trip
- **Post a lesson plan or activity** that you have created or adapted for this field trip
- **Suggest a video** for a particular field trip that you would like the LEARNZ team to shoot and edit for your class during the field trip.
- **Suggest** how teachers could integrate a LEARNZ field trip into their reading
