

Getting started with LEARNZ

If you haven't already, [register now](#) with LEARNZ. More at [registration and enrolment explained](#). Now what? There is no fixed way to 'do' LEARNZ, but here are some initial ideas ...

1. LEARN

- Watch the LEARNZ [promo video](#)
- Access the 3-minute video tutorial below [Setting up MyLEARNZ](#)
- Use your personal login to access [a previous virtual field trip](#)
- Find out what a [LEARNZ virtual field trip](#) looks and feels like by logging in and stepping down through the left menu items of a field trip's web site
- Access the recorded webinar [Using LEARNZ](#)
- Go to the [virtual learning network](#) and see what people say about LEARNZ
- Go to [testimonials](#) to find out how other teachers are using LEARNZ
- Contact the LEARNZ team by [emailing a question](#) or posting [on the VLN](#) or calling the Teacher Freephone 0800 22 55 53

2. Choose a trip and enrol

- Select a field trip from [the field trip chooser](#)
- At [MyLEARNZ](#) create a class/class login then enrol your class in a trip

3. Prepare your students

- Read the 3 e-newsletters sent 1 month, 2 weeks and 3 days **before** the trip
- Give the class login to students/parents/caregivers
- Visit the field trip web site - goes live one month before the trip
- Use the preview power point, intro video, background pages and activities
- Get students to create their own questions
- Book a slot to ask questions during an audioconference
- Get students to post questions on 'ask-an-expert' web forumBook an ambassador to travel on the field tripGo to the [Support](#) section for help

4. Do the field trip

- Decide what you/students would like to do:
- View and answer questions from videos
- Put questions to experts during a live audioconference
- Put questions to experts on the web forum
- Read daily diaries
- View images and still/interactive panoramas
- Follow ambassador adventuresExplore expert profiles and their career pathwaysThink of a way to bring the learning together (create a power point, a poster, a movie, a play)

5. Reflect

- Read the 2 e-newsletters sent 3 days and 1 month **after** the trip
 - Review learning outcomes and actions
 - Complete the LEARNZ evaluation form at [MyLEARNZ](#)
 - Think about and enrol in the next LEARNZ trip - go to [the field trip chooser](#)
- Once you've done one LEARNZ trip you will see how you can blend in other learning opportunities. There are endless ways to extend the LEARNZ field trip experience ...
